**Status:** Return to Committee

**Committee:** Public Safety

**Primary Sponsor:** Doug Hawkins

Motion to Approve made by Mary C. Woolridge and seconded by James Peden.

**Discussion:** Major Milburn, Louisville Metro Police Department, Jim Braun, Public Works and Assets and Ted Pullen, Director of Project Management, Public Works and Assets spoke to the item. Handouts were given and a slide presentation was shown. The following was discussed.

- Site selection process (**attachment**)
  - ✓ Extensive review begun in late 2005
  - ✓ Follow requirements set by federal/state government, LMPD
  - ✓ Looked at properties throughout Louisville Metro
  - ✓ Joint effort by Public Works, LMP
- Minimum requirements
- Other requirements/priorities
- Initial review
- Intensive review
- LMPD Storage Magazine Site Search Locations
- Evaluation Results
- Cardinal Hill site
- Council-suggested options

The Public Safety Committee requested the following information from Ted Pullen.

- Class of material being stored
- Study maps of the following Sites and a narrative
  - ✓ 5, 9, 11, 13, 16 17 and 19
- LMPD Impoundment Lot – information on site
- Riverport Area – information if there are any sites in the area
- Dixie Highway near the County line – any sites in the area
- Along the Ohio River – Flood walls
- Bowman Field – information if there is another location
- What kind of Engineering analysis has the Water Company done if the site blow ups -  
What has been done to make sure the water is safe
- Why ATF ( Alcohol Tobacco and Fire Arms) will not locate at the facility

Ted Pullen asked Chairman Heiner to get his colleagues to give him the site choices and all information they might need and he would get the information back to him.

Chairman Heiner stated he appreciated Public Works agreeing to look at more sites. He stated he would like to have a Special Public Safety meeting tentatively for Tuesday, July 22<sup>nd</sup> at 2:30 P.M. but it depends on how soon Mr. Pullen could come up with the information.

Ted Pullen stated he would try to get all information but he might need more time due to the fact he would have to get some information from the Engineering Department.

Motion to Table made by Mary C. Woolridge and seconded by Rick Blackwell.

This item was **Tabled** without objection.
